

QUALITY POLICY

Sere-med provides our customers with products and services that are innovative, life enhancing and at the forefront of medical technology.

To honour this commitment, **Sere-med** strives to acquire our products from reputable international and local suppliers that ensures our compliance with the South African Health Products Regulatory Authority in terms of section 22c (1)(b) of The Medicine and Related Substances Act (Act 101 of 1965).

The quality of our products therefore conform to local and international approved standards and are supported by our efficient after sales service, that we at **Sere-med** pride ourselves on.

Sere-med has implemented a Quality Management System to assist us in meeting the needs of our customers, suppliers and the Regulator.
